## San Antonio Elected Officials To Host Property Tax Town Hall

**San Antonio, Texas** - State Senator José Menéndez, State Representative Diego Bernal, and City Councilman Roberto Treviño will host a Property Tax Town Hall to inform San Antonio taxpayers of their rights and responsibilities. Each year the Bexar Appraisal District appraises the estimate value of every property in the county. Property owners have the right to dispute and appeal an appraisal if they believe it is excessive. At this event, taxpayers will learn the importance of paying their property taxes, where that money goes, and how to appeal appraisals. The Honorable Mike Villarreal, former State Representative for District 123, will facilitate the town hall.
